"You Can 'Tie To' This Kind with Confidence"

P. A. Rasmussen & Sons, Goldfield, Iowa, offer the first 36 Lots in this catalog. 13 bulls, nearly all sons of Edellyn Marine Mercury and Newallyn Royal Charter, including several excellent prospects of first class herd bull calibre. The 23 young heifers that they offer are one of the finest lots of healthy, well-bred, thick fleshed, deep bodied, short legged females to be offered this fall. All will be well forward in calf with the exception of six head by sale day and they will carry the service of Edellyn Royal Leader 29th, the \$7200.00 son of Edellyn Royal Leader. He is a powerful bull from end to end, thick fleshed, wide and deep bodied, with a lot of ruggedness and bone and an excellent head.

Fred Gugisburg of Renwick, Iowa, offers an exceptional fine lot of Shorthorns that represent a complete dispersal of his herd. Being a son-in-law of P. A. Rasmussen, his cattle are bred along similiar lines. Most of the calves at foot are sired by Edellyn Proviso Mercury, another top son of Calrossie Mercury.

I can assure sale day visitors that they will find 60 lots of healthy, thick fleshed, modern type Shorthorns in this sale sired by top bulls and in the case of the females that are mated assure you that they will not only appeal to you as foundation individuals because of their excellent type and breed character, but the fact that they are mated to such outstanding bulls makes each and every one a profitable breeding unit for anyone to own.

There is a place in your herd for some of these good Shorthorns and I urge you to take advantage of the opportunity to make selections in one of America's excellent fall offerings at prices anyone can afford to pay.

MERVIN F. AEGERTER, Sale Manager.

Calrossie Mercury 1957319 (Imp.)
Perth Supreme Champion whose potent blood is strongly represented
throughout this offering.

WE ARE OFFERING YOU OUR TOPS

For the past twenty years we have endeavored to build a top Shorthorn herd. During this time we have sold our productions privately and in various state and regional consignments sales into practically every section of the United States. At present we are running 160 breeding cows, which makes our herd one of the largest in the corn belt. We found early in the development of this herd that the quickest way to improve quality is through the use of top sires. There was Helfred Premier, a first prize winner at the 1948 International Livestock Show, that did us a lot of good. We used the United States and Canadian Champion Divide Statesman for three years, and it is no accident that today his daughters are the most valuable brood matrons in many leading herds. Our present herd sires include the \$7200.00 Edellyn Royal Leader 29th, which many cattlemen feel is one of the tops of the breed at the present time. Edellyn Marine Mercury, by Calrossie Mercury, is one of the most consistent sires that we have ever used and you will be particularly pleased with the calves by him that we offer you in this sale. Our other herd sire, Newallyn Royal Charter, becomes more valuable with each succeeding calf crop. In the last Edellyn Sale we purchased the outstanding summer calf, Edellyn Royal Leader 76th, sired by Edellyn Royal Leader 23rd, and out of the same dam as Edellyn Royal Leader himself. Here is some line breeding that should produce results, and of him, Allan Atlason said "this could easily be the calf that will get the job done in a big way."

All of our cattle have been pre-vaccinal tested and vaccinated for bangs under federal supervision. The health of the entire herd is and has always been remarkably sound.

We can frankly say that this is the first time that we have ever offered so many of the tops from our whole herd, so we feel sure that you will be pleased when you come to this sale.

EDELLYN ROYAL LEADER 29th—Was purchased by us as the top bull of the 1946 International Congress Sale at Chicago for \$7200.00. He is out of Edellyn Orange Blossom 50th, regarded by Edellyn Farms as one of the very best daughters of Calrossie Mercury. His full sister, Edellyn Orange Blossom 65th topped the 1948 Edellyn Sale at \$5200.00. His first calves are here and they are tops. Most of the females we offer in this sale carry his valuable mating. Many have rated him as the very top son of the all-American favorite, Edellyn Royal Leader.

Edellyn Royal Leader 76th, red, Aug. 11, 1947. Sire, Edellyn Royal Leader 23d. Dam, Coldoch Bonny Rothes (Imp.). A line bred Royal Leader out of the same dam as the all-American favorite, Edellyn Royal Leader. He is a son of the noted Edellyn Royal Leader 23d and was purchased by us for future herd service in the last Edellyn Farm Sale.

RASMUSSEN & GUGISBURG SHORTHORN SALE

Part of the Gugisburg breeding herd, pictured in July, 1948. They all sell.

"You're Being Offered My Entire Herd"

Our registered Shorthorn herd was started in 1931. We started with good cattle for our foundation and have used only top bulls with these cows. Our first females were Rasmussen bred and occasionally since that time we have added a top individual from various herds. Having no sons to carry on and with my health such that I could not care for a large herd I have always culled it very closely and kept only the tops. We have had no thought of dispersing this herd until recently, when the decision was forced upon us by doctor's orders. You will note that most of the calves at foot are sired by Edellyn Proviso Mercury, which we purchased in the 1947 Edellyn Farm Sale, but had the misfortune to lose him recently.

We regret the necessity of this dispersion but believe that you will not be disappointed since you will find in this sale the kind of herd bulls and cows which are only offered for sale in dispersions. We vouch for the fact that they are clean and healthy, sound in every way and are willing to stand behind them according to the usual terms and standard guarantee of the American Shorthorn Breeders' Association.

FRED GUGISBURG.

EDELLYN PROVISO MERCURY—This son of the Perth Champion, Calrossie Mercury was purchased by us in the 1947 Edellyn Farm Sale. He was accidentally injured recently and had to be disposed of. A great many of the females carry his service and all the calves at foot are sired by him. His imported dam carries seven crosses of the breeding of Robert Duncan, one of the greatest cattlemen of all times. His grand-dam is the dam of Edellyn Royal Leader 14th, the C. M. Caraway & Son's bull that is breeding so well in Texas. He is out of the same dam as Edellyn Orange Blossom 55th, that sold for \$1525.00 in the 1945 Edellyn Sale and Edellyn Workman Mercury, that sold in the 1946 Edellyn Sale for \$1350.00. You will like his calves.
